

Just a final note that many restaurants are dine-in only. Make sure to double check the Official Burger Week Passport to confirm which locations offer carry-out and which locations are dine-in only.

**6. DINE-IN**

Restaurants will be encouraged to post their waits and remaining burgers for the day on their social platforms. Also don't forget to share and tag your photos with #DetroitBurgerWeek.

**5. CHECK SOCIAL MEDIA**

Purchase of sides and extras are not a requirement, but we think it says a lot to those working hard to bring you extraordinary experience. Crap some fries, a beer, a Belvedere Vodka cocktail and say thanks!

**4. YOU SHOULD BUY A DRINK AND/OR OTHER FOOD**

\$5 brings out the cheap in all of us, but really, you're likely getting a \$10+ burger, so please tip at least 20%. The people who are serving you are working harder during Burger Week than an average week. A kind word will also be welcome - these people are our friends and neighbors.

**3. TIP LIKE A PRO**

People have been talking about Burger Week 2018 for months. Don't be surprised if restaurants have waits. In fact, be surprised if they don't.

**2. THERE'LL LIKELY BE WAITS**

We expect that the restaurants will be extremely busy. So, if a place runs out toward the end of a shift, handle it like an adult, go back the next day, earlier, order your burger and thank them for working hard. Please be nice to our restaurants.
